

# Silver Spur XC Spur Outfitters

2024

2024

## 11th Annual Silver Spur Firearms Training

### Course Descriptions and Times:

#### **Defensive Pistol - 8/10 8-11am & 2-5pm, 8/11 8-11am, 8/15 4-7pm, 8/17 8-11am**

Aimed at both novice and experienced shooters, our staff of Law Enforcement and NRA instructors will work with students based on their needs and skill levels. New shooters will focus on the basic fundamentals of safely handling and shooting the semi-auto pistol. Experienced shooters will receive advanced instructions such as drawing from the holster and shooting one-handed.

Requirements: Eye and hearing protection – Pistols and ammunition (50 rounds) will be provided.

Optional Equipment: Students may bring their own weapons, ammo and holsters, 100 rounds of ammunition recommended. 50 rounds of 9mm ammunition will be provided.

#### **Pistol Competition – 8/17 2-5pm**

This will be a fun and friendly competition using semi-automatic handguns and shooting steel and paper targets. The shooter will be required to engage various targets from several different positions. Score will be based on a combination of time and accuracy with prizes being awarded to the best shooters. Don't be intimidated! All skill levels are welcome to compete.

Requirements: Eye and hearing protection, handgun, 3 magazines, holster, magazine holder and at least 100 rounds of ammunition.

#### **Rifle Competition – 8/17 2-5pm**

This will be a fun and friendly competition using scoped rifles and shooting steel and paper targets. The shooter will be required to engage various targets at a variety of distances from several different rifle shooting positions. Score will be based on accuracy with prizes being awarded to the best shooters. Don't be intimidated! All skill levels are welcome to compete.

Requirements: Eye and hearing protection, scoped rifle and at least 25 rounds of ammunition.

#### **Concealed Carry Pistol – 8/11 2-5pm**

Back by popular demand! This class is designed for the shooter who is comfortable with their handgun and wants to learn how to draw it from a concealed holster. Students will receive instruction on holster and handgun selection, holster placement, draw techniques, mindset and legal issues. Students will then have the opportunity to practice with their tools.

Requirements: Eye and hearing protection, handgun and holster capable of being concealed. If using a belt holster, please bring a belt and a cover garment. 150 rounds of ammunition. Please bring at least two magazines. A spare magazine pouch is helpful but not required.

### **Youth Rimfire Rifle - 8/10 5–6:30pm**

Designed for the young shooter but open to all. Students will receive instruction on firearm safety, how to load and unload firearms and how to shoot the rimfire rifle. Instructors will work with the students in a one-on-one format with safety and fun being the primary focus. Appropriate for just about all ages as long as the child can follow instructions. Adults are also welcome to attend.

Requirements: None – Eye and hearing protection and rifles and ammo will be provided, students may bring their own firearms.

### **Long Range Rifle - 8/10 8-11am & 2-5pm, 8/11 2-5pm, 8/13 & 8/15 4-7pm**

This is our basic rifle shooting session. Instructors will be on hand to assist shooters with setting up their gear and calling out targets. Students will receive personal instruction based on their needs

### **Advanced Long Range Rifle – 8/17 8-11am**

This class is designed for the shooter who is proficient and comfortable with their rifle but wants to take their shooting skills to the next level. Students will have the opportunity to fire their weapon at distances ranging from 50 to 1700 yards. Class topics will include: Proper techniques for shooting prone, sitting, kneeling and standing; weapon set up – scope mounting, slings, rear/front rests, bipods, ammo selection and ranging.

Requirements: Eye and hearing protection, rifle, ammo (however much you want to shoot!)

Optional Equipment: Spotting scope, laser rangefinder, shooting pad, shooting rest

### **Personal and Home Defense – 8/13 4-7pm**

We will begin with a discussion of tips and techniques related to personal and home safety. Students will then participate in practicing self defense techniques by striking and kicking a punching bag under the guidance of an instructor. Finally, if time permits, students will practice handgun shooting drills based on self-defense skills.

Requirements: Eye and hearing protection – Pistols and ammunition (50 rounds) will be provided

Optional Equipment: Students may bring their own weapons, ammo and holsters.

### **Field First Aid – 8/15 4-7pm**

This class will teach the student basic first aid skills related to treating real life traumatic injuries likely to occur in the field. This is applicable for all outdoor folks, whether you are a hunter, farmer, cowboy or just like to spend time in the woods. Instructors will show the students how to use first aid equipment as well as show examples of first aid kits and recommended supplies.

Requirements: None - Students may bring their own first aid kits to receive instruction on how to use them

**NOTE:** Long Range Rifle will be held on the long range course up on the hill, all other courses will be on the lower range except First Aid which will be held at the Spur Ranch Headquarters.

**RSVPs Required - contact Kaylin at Spur Outfitters for Reservations
